Comments on average salary calculation (optional): These numbers vary from average salaries posted in FY21 because the average salary of all teachers employed in budget year 2021 included a position that had not been officially hired yet and was projected to be a higher salary than the salary that the new teacher was actually hired to receive due to the new teacher's level of experience. This number has been corrected to match the Average salary of all teachers employed in FY 2018 36,776
